Aqaba Community and Economic
Development (**ACED**) Program

Solicitation Invitation **RFP-007-2008**

The Aqaba Community and Economic Development (ACED) Program, in collaboration with ASEZA's Local Community Development Directorate (LCDD), is interested in working with a Jordanian Organization or Firm that can plan, organize and implement a full package of training modules and technical assistance for Civil Society Organizations (CSOs) in Aqaba.

Solicitation:

The ACED Program is seeking a Jordanian Organization or Firm to organize a complete set of CSO capacity building activities. The Jordanian Organization or Firm will be expected to manage the logistics for training, recruit the training participants, design the complete training modules, provide the training (or hire outside experts to provide the training), evaluate the training sessions and the participants, and follow-up the training modules with some ongoing support to the CSOs.

The ACED Program seeks to award a grant to a Jordanian Organization or Firm to implement this initiative. The Grantee is expected to have experience in organizing, planning, and providing training and other capacity building to CSOs.
